Thank you for choosing us to host your websites!

Pentru inceput am realizat trei fisiere html:pagina principala,portofoliu si mini_store.Toate aceste pagini sunt interactive si isi schimba marimea dupa device-ul folosit datorita ca am utilizat foundation.zurb care la-m modificat dupa necesitatile mele.

Dupa aceasta am configurat o baza de date cu componentele necesare(username,password,db_name)
